Trinity Executive Partnership is assisting Incarnate Word Academy (IWA), a Catholic, college-preparatory secondary school for young women grades 9-12, in the recruitment of a President.

The Academy:

IWA is an educational institution of choice for young women of North St. Louis County, St. Charles County, and other areas of St. Louis City and County. 41 St. Louis area zip codes are represented in the student body with a high percentage coming from north St. Louis County and St. Charles County, located just west of St. Louis County.

The mission of IWA is to challenge young women of faith to achieve their God-given potential as academically successful Women of the Word, following the example of Jesus, the Incarnate Word, by promoting human dignity, thereby empowering themselves and others to make a positive impact on our world.

The Academy has maintained academic excellence since 1934 when it received its initial accreditation from the North Central Association's Committee on Accredited Schools and Colleges, now known as AdvancED. The Academy received its last AdvancED accreditation in 2014 that extends through 2019 at which time an AdvancED accrediting agency team will visit the campus again for the next accreditation cycle.

Incarnate Word Academy is a Missouri nonprofit corporation organized under Chapter 355 of the Revised Statutes of Missouri. The purpose of Incarnate Word Academy is to promote Catholic secondary education for girls and the integration of spiritual, moral, physical and intellectual principles by maintaining a comprehensive college-preparatory school. The Corporation’s sole member is the Congregation of the Sisters of Charity of the Incarnate Word, San Antonio, Inc., a Texas nonprofit corporation.

IWA strives to empower its students to become leaders, scholars, and meaningful contributors to the community and the ever-changing world. IWA makes the following commitments:

- To offer a premier college-preparatory education in a dynamic learning environment that fosters independence, embraces diversity, and grounds its dedication to excellence in Christian values.
- Social justice, human respect and a dedication to service are and will remain at the heart of its community.
- As a forward-thinking institution, IWA will continue to evolve its unique approach to teaching and guiding young women, blending strong tradition with sound innovation.

IWA’s core values are:

- Follow the example of Jesus
- Foster academically successful women
- Promote human dignity
- Empower and challenge young women
- Make a positive impact on our world

Incarnate Word Academy constituents have formed a long-lasting bond to the school. This includes the Board of Trustees, administration, teachers, staff, parents, alumnae, donors, and most importantly the students. IWA embraces a model which develops young women into strong leaders and prepares them for the challenges and opportunities they will experience in their faith and professional lives. IWA gives every student the opportunity to flourish and support one another as a family in a setting representative of the world at large. IWA alumnae form deep relationships and a sense of pride and respect. Graduates of the Academy make an easy transition to college life because of their educational training at IWA.

Incarnate Word Academy has used the Modular Schedule since 1969 and is the only school in the area to have continued using and developing the system to the present. Modular scheduling offers flexibility that permits creative and varied teaching styles and accommodates individual student learning cycles. Based in part on a college schedule, the system expands the limited possibilities of the traditional seven-period high school schedule. The schedule has become a hallmark of the school. The Academy offers 10 academic departments: Business, Counseling, English, Fine Arts, Mathematics, Physical Education, Science, Social Studies, Theology and World Languages.

Students take four years of theology courses as the foundation of their faith learning. In addition, there are monthly liturgies, quarterly prayer services and reconciliation. Each week a communion service is held in the chapel. All classes begin with prayer and students are asked to live their best lives by emulating the mission of IWA.

All Academy graduates matriculate to higher education institutions with the exception of one or two students who join professional performance companies or the military. The 2016 graduating class earned \$4.7 million in post-secondary scholarships.

The Academy has dedicated itself to keep the arts thriving for its students. IWA offers a full curriculum in dance, theater, music and art. Each discipline has one full time faculty member and a dedicated space for classes.

IWA offers the following sports: basketball, cheerleading, cross country, volleyball, lacrosse, dance, golf, soccer, softball, swimming/diving, tennis and track. The highly competitive athletics program helps young women develop skills that nurture their intrinsic qualities and values of sportsmanship. Our athletic programs help prepare the student athlete to compete successfully at the next level in college and in life. IWA holds 32 state championships.
